SPORTING NEWS AND COMMENT

ROBERT EDGREN,
Editor.YACHTSMEN BUSY
FOR A BIG SEASONGreat Activity in All of the
Basins Around Greater
New York.

This is to be the greatest yachting season ever known among the local clubs, according to men well posted. A visit to any of the basins about the greater city where yachts have been in winter quarters indicates signs of activity unheard of for this season or the year. Local clubs are already arranging for racing dates and club regattas, and at the various clubhouses fresh paint and new furnishings show an earnest preparation for the comfort and convenience of members.

At the Brooklyn Yacht Club, one of the oldest organizations, with clubhouse and grounds at Croxley avenue and Bay Thirty-fourth street, Bensonhurst, a great deal of money is being expended to put the summer quarters into shipshape for an informal opening next Sunday, although the club will not be in commission until May 1.

The buildings have been renovated and new furniture and the Ladies' Auxiliary of the club has done its share to make the cottage attractive. The casino, with ladies' pavilion and restaurant, will hereafter be open to all members of the country club and special entertainments will be given Saturday evenings, in addition to the yacht meetings.

As an instance of the growth and flourishing condition of the club under the direction of its present officers, it may be stated that Vice-Commodore David E. Astor and Secretary F. W. Bradford, the names of most recently elected members and business men in Greater New York have been proposed for membership in the club since the last meeting. Among the names of George J. Gould, "Charley" Gates, James and Desmond Dunne, Francis C. E. Van Stuyvesant, Andrew Weller, C. Towne, Albert H. Bennett, W. A. Turner and D. T. Abercrombie.

Last season the Brooklyn Y. C. held a most successful race to Marblehead, Mass., for the first time, and the trophy won has this season given another cup as a trophy in a race from Gravesend Bay to Brooklyn. The cup was presented May 26, and four entries already received. De Munt, chairman of the Regatta Committee, gave the names of the boats and crews as follows: Yawl "Lida," 40 ft. long, R. E. Flory, skipper; yawl "Tamerlane," Frank Mader, skipper; bonnie boat "Bella," 30 ft. long, John H. Rosen, skipper; and a 400 cu. ft. cup has been offered as a trophy in the race back to New York.

July 7 the Brooklyn Challenge Cup race starts from New Rochelle, with course around Montauk Point and Five-Fathom Shoal and return to Gravesend Bay. The cup is \$1,000, and the date is tentatively set for the New Rochelle Yacht Club, and the challenge is Capt. Floyd of the yawl "Lida." The cup is \$1,000, and the date is tentatively set for the New Rochelle Yacht Club. The Russells have a registered tonnage of 28.8 and was built in 1888. The boat has a beam of 7 ft. 6 in. in the water line, 13 feet 7 inches breadth of beam, and her draught is 8 feet. Although built for racing, she is now used for pleasure, and a considerable turn of speed and will carry a generous spread of canvas.

Commodore Coler is to become a real Jack Tar next season. He has purchased as his flagship the centraub schooner "Sister" formerly owned by the late F. P. O'Neil, and he will be the skipper of the New Bedford Yacht Club. The "Sister" was built in 1888, has a registered tonnage of 28.8 and was built in 1888. The boat has a beam of 7 ft. 6 in. in the water line, 13 feet 7 inches breadth of beam, and her draught is 8 feet. Although built for racing, she is now used for pleasure, and a considerable turn of speed and will carry a generous spread of canvas.

On Saturday racing dates given the Brooklyn club are June 2, July 14, Aug. 18 and Sept. 1. The dates the club members expect to make their debut, and the season on the water will be the most important in which the club has participated for years.

Commodore Coler is to become a real Jack Tar next season. He has purchased as his flagship the centraub schooner "Sister" formerly owned by the late F. P. O'Neil, and he will be the skipper of the New Bedford Yacht Club. The "Sister" was built in 1888, has a registered tonnage of 28.8 and was built in 1888. The boat has a beam of 7 ft. 6 in. in the water line, 13 feet 7 inches breadth of beam, and her draught is 8 feet. Although built for racing, she is now used for pleasure, and a considerable turn of speed and will carry a generous spread of canvas.

About the Marine Basin near the club house at Bensonhurst the Brooklyn Club members are busy getting out their yachts to go into commission. Their crews were out on the bay yesterday and their manoeuvres were closely watched by a large crowd of women and men from the club house and lawn.

Yachts that will soon be ready include the following: Peri, Rear-Commodore John Lewis; Onward, Vice-Commodore Austin; Goliath, Capt. M. Williams; Star, Capt. Third, brothers, Capt. William B. Young; Nomad, Capt. Sawyer; Chieftain, Robert Henkle, and Nemo, W. H. Bolton.

During the absence of ROBERT EDGREN with the American team at the Olympic games in Athens, Greece, the sporting news of The Evening World will be edited by Vincent Dear, Treasurer. Communications regarding sports should be addressed to him, care of The Evening World, Pulitzer Building, Park Row.

RESULTS OF SUNDAY GAMES.
